ENGELBERG | SWITZERLAND

Engelberg- Titlis is the largest winter sports area in central Switzerland. This charming village is situated on a plateau in the valley of several high mountains which offers incredible skiing and beautiful views.

With over 50 miles of slopes, you can expect runs of all range of skiing abilities. This area is known worldwide for its numerous backcountry skiing opportunities. Especially for free riders it's heaven on earth.

Five Star, a Swiss Ski company based in Engelberg, offers a 3-day-VIP package including exclusive benefits and exceptional service. You have the opportunity to test high quality Swiss skis (made by Five Star). Five Star is known for the highest quality standards and fun in the snow is guaranteed.

3 DAYS OF FULL ENJOYMENT

1. DAY

You will arrive in Engelberg in the afternoon. If you travel by train, the VIP shuttle picks you up at the station. People arriving by car will be able to park in the underground garage.

After checking into your suite, VILLA HUNDRET will serve you a lovely welcome drink in the lounge, on the terrace or by the fireplace.

A wonderful surprise menu will round up your first day at this amazing place. Our chef is happy to create a culinary journey with local products for you. Selected wines from the regions nearby are chosen to compliment the individual courses.

This Epicurean dinner promises to delight and enchant all your senses!

2. DAY

After a delicious breakfast a privat shuttle will bring you to the station of the Titlis cable car. Your private ski guide will pick you up and bring you to the FIVE STAR ski store. Following a short introduction you will be provided with the best individual equipment.

A VIP ticket on the Titlis gondola will take you to the summit, where your unforgettable ski adventure starts. Lunch will be served right in this beautiful ski area. Following your amazing day on the slopes a little surprise is waiting for you on your downhill descent.

After the final run by twilight a traditional, classic Fondue dinner is waiting for you in the village of Engelberg at the FIVE STAR ski bar.

3. DAY

Today you could spend another day skiing in the Engelberg-Titlis area or you choose a different winter activity in the village of Engelberg (or up on the mountain). A personal ski guide might be booked for an additional day.

To sum up your day ,you are welcomed back at the home base of FIVE STAR. Here you could enjoy some pictures of your unforgettable stay in Engelberg. These photos will be a fantastic memory of your VIP snow experience to share with your friends and family.

OPTION:

Of course, you can extend the experience.

Your ski guide and the VIP service from Five Star are at your disposal any time.

Price given on demand.

VILLA 100 BOUTIQUE MOUNTAINSCAPE

We call it Mountainscape - a breathtaking view of a mountain landscape. An idyllic villa with the most beautiful location – a retreat high above the village of Engelberg. Full of light, pure nature, and fresh mountain air with views of alpine meadows, waterfalls, and snow-covered mountain ranges.

Two Nordic guys and a Canadian woman have found their base in the small Swiss village of Engelberg. They all share the same passion which defines VILLA HUNDERT. The passion for authentic experiences through food and wine, the passion for nature and the slopes and the passion for bringing people together.

DINE | WINE | SLEEP | WORK & PLAY

VILLA HUNDERT radiates calm and serenity. Clear, Nordic design with lots of wood and natural materials creates a light, bright, warm ambience in the Villa. Outside you will find the beautiful, spacious garden with a spectacular view of the Engelberg mountains.

The food at the Villa is a constantly changing and is sourced locally and regionally. The ambiance is relaxed, cozy and yet somewhat luxurious.

FIVESTAR SKI MORE THAN A SKI

Fivestar is not just the company brand, it's the brand promise. This Engelberg company stands for the highest product quality, unbridled driving pleasure and passion for skiing and winter sports.

Sandro Koller is the ski engineer, ski designer and founder of FIVE STAR in 2015. He is committed to develop skis that meet the most diverse technological and innovative requirements in the marketplace. SWISS SKI ENGINEERING always considers the three most important factors when designing their products – shape, architecture and materials – the Fivestar DNA.

Each Fivestar ski creation has its own exclusive strength, but all the skis in the Fivestar ski portfolio are all-round reputable that guarantee pure skiing pleasure and skiing fun.

From soulful freeriding to cut carving turns, from the sporty slalom carver to the smooth-running cross ski, from the stable all-rounder to the comfortable trail ski - these Fivestar skis effortlessly manage all disciplines of alpine skiing and make every ski day in the mountains a unique and unforgettable experience.
